

Test de Français International

TFI™

The TFI™ test is a French-language proficiency test for people whose native language is not French. The TFI test results show how well you communicate in French in business environment. The TFI™ test is for language learners of all levels, regardless of occupation or background. You do not need to have special knowledge beyond that of a person who uses French in everyday work activities.

Context	The TFI™ evaluates the French level of non-French speakers. This multiple choice test assesses a candidate's ability to understand, speak, read and write French as it is used in the international workplace.
